MISSOURI

Shorthorn-Polled Shorthorn

SHOW and SALE

Saturday, February 17

State Fairgrounds, Sedalia, Missouri

60 LOTS

27 BULLS — A great set of both polled and horned sire prospects. Notice the many outstanding herds consigning. They offer great buying and improving opportunities.

27 FEMALES — Including a number of cows with calves, bred cows, bred and open heifers and an excellent set of 1972 calves suitable for FFA and 4-H work.

6 STEERS — We are expecting about six steer calves suitable for FFA and 4-H show purposes.

A good cow and calf are pictured on our cover. The Shorthorn and Polled Shorthorn cow is probably the most underrated producer in the beef kingdom. Her docility, extra milking ability and ease of calving are traits the entire cattle industry seeks to infuse.

SHOW AND SALE CLASSIFICATION

This show is co-sponsored by the Department of Agriculture and the Missouri Shorthorn Breeders' Association. The ribbon and cash awards provided by the State Department of Agriculture have been made possible through an appropriation by the Missouri Legislature. The funds have been appropriated to encourage the production, distribution and use of superior breeding animals in Missouri.

All animals will be placed and graded by a competent judge. Grade designation and distribution ribbon awards are as follows:

Grade A (Superior)—Blue Ribbon

The animals would fit into top purebred herds and flocks anywhere. They are correct in type, size, quality, breed character, etc.

Grade B (Good) — Red Ribbon

These animals are good enough to improve some purebred and most commercial herds.

Grade C (Medium)

—White Ribbon

These animals are below average for the breed.

Grade D (Unclassified)

—No Ribbon

These animals are undesirable breeding animals.

Show starts at 9:00 a.m.

Judge: Bill Scott, Ransom, Kansas

GENERAL INFORMATION

TIME — The show will get underway at 9:00 a.m. and the sale at 12:30 p.m., Saturday, February 17.

LOCATION — State Fairgrounds, Sedalia, Missouri.

TERMS — Terms of this sale are cash unless other arrangements have been made with the owners and the sale manager is notified.

GUARANTEE — All cattle will sell under the Standard Guarantee endorsed by the American Shorthorn Breeders' Association. Statements from the block take precedence over footnote material.

LIABILITY — Each transaction in this sale will constitute a contract between the buyer and seller of each lot. The auctioneers, ringmen, or sale manager have been employed by the consignors for specific tasks not connected with the handling of the cattle or the condition of the premises and they will accept no liability, legal or otherwise, for the buying contract or for any accident. Neither can the seller accept any liability for injuries that may occur. All persons attend this sale at their own risk.

REGISTRATION CERTIFICATE — A certified registry will be furnished with each registered lot and will be transferred to the buyer without cost to him. Application for registry, properly signed, will be furnished with each unborn calf sold in dam.

HEALTH — All cattle are absolutely healthy in every respect and will have passed T.B. and Bangs tests within 30 days of the sale. Health certificates will be furnished with each lot to meet the requirements of any state or territory.

LUNCH — Will be available at the grounds.

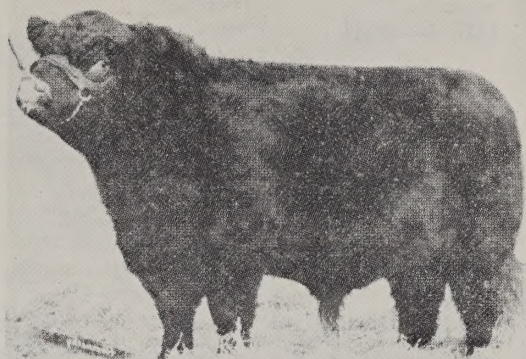

LODGING — There are plenty of good motels in Sedalia. Sale headquarters will be the Holiday Inn on U.S. 65 South.

AUCTIONEER — Dick Kane, Wisner, Nebr.

SALE MANAGER — A.S.A. Sale Management, 8288 Hascall Street, Omaha, Neb. 68124.

FIELDMEN — Bill Stunkel, American Shorthorn Ass'n; Mark Dempsey, Missouri Ruralist; Mike Kershaw, The Shorthorn World; Don Birk, The Drovers Journal.

STANDARD GUARANTEE

OF AMERICAN SHORTHORN BREEDING ASSOCIATION

1. Proper care must be given by purchaser to protect breeding qualities and health of guaranteed animals.
2. All bulls are guaranteed breeders, provided they are not allowed to serve when under 14 months of age, or allowed to run with the herd when under 20 months of age. In case of failure of a bull to be a breeder, notice shall be given to the seller within six months of date of purchase, or by the time the bull is 20 months of age, if purchased under 14 months of age.
3. With the exception of heifers sold under 14 months of age, all females are guaranteed breeders. Heifers under two years of age shall not be served by a heavy or old bull. Cows or heifers sold as bred, or safe in calf, not proving to be in calf must be reported to the seller within three months after date of sale. Females over 14 months of age sold open, not settling within six months after date of sale, shall be promptly reported to the seller.
4. When an animal fails to comply with the above guarantee the seller has the option of substituting an animal of equal value to the satisfaction of the purchaser, or having the animal returned for a trial period not to exceed six months. The expense of freight in such case is to be paid by the seller. If the animal is then proven to be a breeder beyond doubt it shall be returned to the purchaser at his expense. In case of dispute the return of the full purchase price, without interest, to the buyer will be considered full settlement and satisfaction on all claims. No charge for feed or maintenance shall be made by either buyer or seller. Salvage shall go to the seller. It shall be understood that the same guarantee given for the first animal shall likewise apply to any other animal later substituted.
5. All animals cataloged have been tested for T.B. and are clean, and have also passed a test of Brucellosis thirty days prior to the sale, or are accompanied by a Bangs Vaccination Certificate. Announcements will be made covering animals not clear from vaccination.
6. Certificates of registry and transfer will be furnished with each animal sold. A signed pedigree application for unborn calves should be furnished with bred females, showing names and record numbers of sire and dam, as well as service date.
